Penalties

Permits obtained as a result of a stop work order being Normal Fee x 2
 issued and/or construction installation, etc. that has been completed without permit/inspection

Notes:

- Usable Floor Space – Defined as areas within a structure designed for use by occupants, whether finished or unfinished.
- Building permit fee schedule includes the cost for all required inspections including an allowance for one re-inspection. Additional reviews, failed or additional inspections will be billed an additional charge at **\$75.00 per hour**, to be paid by applicant prior to Use & Occupancy Permit.
- Commercial electrical inspections shall be by others.
- If no new buildings or additions are involved, the plumbing, mechanical and permit fees shall be in accordance with Renovations, Alterations
- Rough plumbing, rough mechanical and framing inspections assumed to be preformed concurrently.
- Certain commercial/industrial inspections may require permitting and inspections by Labor and Industry.
- In accordance with Act 37 of 2017, a \$4.50 State charge will be added on every permit issued.
- A local municipal fee of 15% to cover administrative costs will be added to every permit issued.
- The Code Enforcement Officer is not authorized to issue a permit or approval to start work for Emergencies until a deposit of \$500.00 is made to the Township.
- Any work started without an approved Township permit will be issued a Stop Work Order until a permit is granted by Township with all permit fees being doubled.

The Code Enforcement Officer is authorized to collect fees and will deliver the fees to the Township on a regular basis with his activity report.
